

**CITY OF LAGUNA NIGUEL  
MEMBER OF THE CITY COUNCIL**

**PAUL G. GLAAB**

**AGE: 56**

**OCCUPATION:** Business owner/Chairman, Laguna Niguel  
Transportation Committee

I have worked hard to improve the safety of our streets while improving our mobility as Chairman of Laguna Niguel's Transportation Commission. I will continue the energy, integrity and leadership as a councilmember and will:

Make sure we never have an airport built at El Toro

Protect our city's finances by fighting the State's attempts to put the burden of its deficit on cities

Partner with our schools, youth and senior organizations to provide leadership in lean times and continue building athletic fields for our kids

I have received the endorsements of Mayor Linda Lindholm and Councilmember Mimi Walters. I have also received the endorsements of anti-airport leader Bill Kogerman, District Attorney Rackauckas, former Sheriff Gates, Supervisors Silva and Norby, Congressman Royce, Senators Ackerman, Morrow and Johnson, Assemblymembers Campbell and Maddox.

I have long-term roots in Laguna Niguel as a family man and businessman living with my wife, Janice and our daughter, Molly. After 20 years in the airline industry, I served as an appointee to Governors George Deukmejian and Pete Wilson.

I am currently a Sheriff Reserve and serve the Boards of Beta Foster Care, Leukemia Society, Saddleback College Foundation, and Laguna Niguel Chamber of Commerce Ambassador.
